

Standard Equipment List- North Pacific 49 Classic Pilothouse

Hull, Exterior & Fittings:

Solid, hand-laid fiberglass hull. Outer two layers are vinyl ester resin
Superstructure cored primarily with closed-cell foam - Rigid PVC squares where required
International Paints epoxy barrier coating below water line
International Paints Micron Extra 2 anti-fouling bottom paint OR Ultra 2 hard paint
#316L, polished stainless steel railings (1.5" top rail) & stanchions bolted into aluminum backing plates
FRP no-skid deck on all deck surfaces
Aluminum sliding exterior doors with SS threshold, lock & teak interior (2-pilothouse, 1-salon)
SS heavy mooring cleats: (10) - 4 hawse cleats in cockpit, 2 at bow; 2 cleats midship, 1 on each side of salon
SS fuel, water and waste tank deck fittings
SS portholes - 8 x 16" (9)
Safety glass windows
Stainless steel window frames
Emergency tiller
Zincs (5)
Extra gel coat (about 1qt)
Lines, fenders (6) and required coast guard safety equipment

Major Mechanical:

355hp Cummins diesel engine with 160 amp alternator, ZF85A transmission, Garmin Gateway
2-1/4" Stainless steel shaft - Aqua 22
Tides SureSeal dripless shaft seal, with spare lip seal
Johnson shaft bearings
Precision 4 blade propeller
Ultraflex 2 station hydraulic steering
FRP rudder platform & tube with stainless steel bearing
Cummins ETS (electronic throttle & shift) control module
Underwater exhaust system
Oil change pump for engine, transmission & generator
Engine room with 2" sound insulation
Seafire automatic engine shutdown and automatic fire extinguisher with remote cable control
Aluminum non-skid plate floors - Polished stainless steel engine mounts
6 - LED engine room lights
64,000 BTU of 240v Dometic CruiseAir air conditioning. Remote compressors in engine room. OR diesel hydronic heater with water heating loop

Water Fuel & Holding Systems:

Seacock and strainer on engine raw water intake
Dual Racor 900 fuel filters
Automatic bilge pump (3) - Rule or comparable brand
Manual bilge pump (1)
Fiberglass fuel tanks; fuel lines for engine 1/2 ID; acrylic sight gauges with shutoff valves. 700 or 920 gallon total capacity
Holding tank (65 GAL) w/ Whale black water diaphragm pump and Trident Premium sanitation hose
Whale sump pump for showers - 320IC
Whale 1815 sea water washdown pump
250 gallon fiberglass water tank - mounted forward under cabin sole - with deck mounted intake

Fresh water system with Marco 16462415 variable speed pump and accumulator tank for quiet operation
20 gallon 120v water heater in engine room

Electrical:

6kw (west coast) OR 12kw (east coast) Northern Lights genset w/ sound shield and water/gas separator 120/240v
Sleipner SE170 24v bow thruster
Maxwell RC12-10 24v Windlass with capstan
Hella LED Navigation & Stern lights
Seaview Anchor & Steaming light
KUS Gauge & sensors for water & fuel tank level
KUS black water sender wired to Cerbo GX control
Engine room blower
Batteries: 3 House - 12v/200Ah AGM batteries in box, 2 - Thruster/Windlass 12v/100Ah batteries in box, 1 - engine start, 1 generator
Victron MultiPlus 3000 inverter/charger with remote Cerbo GX control with Touch 70 display & SmartShunt battery monitor; Victron Orion DC-DC chargers for thruster bank(s)
Bonded electrical system
50 amp 125/250v SmartPlug shore power connection, with ELCI, at the bow
50' Glendinning retracting power cable at stern with ELCI
Master control panel (AC/DC circuit breakers) with Blue Sea magnetic relays for primary low voltage systems; and additional space for future upgrades
Additional empty wiring race to starboard, ER to forward of laundry closet, with pull string for future upgrades
Engine room & lazarette light switches at entrances
12v LED warm ceiling & rope lighting throughout interior
12v LED warm courtesy lights throughout interior and exterior
Cat-6 Ethernet wiring prep from behind electrical panel to Fusion stereo, under radar array, under PH helm, Cerbo GX, all installed TVs
Fusion MS-RA670 Stereo System - controllable through any MFD or smartphone; 2 Fusion FM-F65RW speakers each in the salon ceiling, pilothouse ceiling, on the flybridge arch.

Cockpit & Swim Platform:

LED Lighting in cockpit and on swim platform
Hatch to access lazarette - gas assisted
Stainless steel ladder leading to flybridge, starboard side
Stainless steel handrails on aft salon wall
Transom door, with SS plate, leading to swim grid
FRP Bulwark gate doors on port and starboard side
Painted aluminum sliding door with teak inside - access to salon
Port swim platform locker with fresh/sea water wash-down outlet & notched door
Starboard swim platform locker with Glendinning power cable & notched door
Aft deck fresh water shower
Sole drains (2)
Fully integrated swimming platform with flip-up cleats at outer corners
Swim platform rub rail - around circumference
Swim ladder
Extra SS aft upper deck supports (2)
SS Lazarette ladder w/ teak steps
3 - LED lazarette lights

Fiberglass platform to mount steering mechanism
Dripless rudder bearing
Flexiteek 2G deck on swim platform and cockpit floor

Flybridge:

Llebroc Series II helm seat (2) OR Llebroc double helm seat w/ 4" aluminum pedestals
Stainless steel steering wheel
Engine gauges
Cummins single lever ETS control
Windlass control
Thruster control
Helm compass
Hardtop with 4 dimmable overhead lights OR radar arch with 2 dimmable lights
Flybridge windscreen
Fused 12V switches to control systems and lights on the flybridge
Courtesy light (number as required)
D/C outlet (1)
GFI AC outlet on starboard side (1)
Anchor light - LED
Hella NaviLED LED navigation lights
Dual trumpet air horn
Stainless steel North Pacific Yachts nameplates (2)
Stainless steel flag base
Stainless steel perimeter railings with aluminum backing plates
Storage cabinet/propane locker on port side of helm seat
Boat deck drains, plumbed to the waterline (2)
Sunbrella-covered guest seating with SS/cushioned seatbacks & storage underneath
Sunbrella canvas cover for dual helm seat, instrument console, all seating
FRP table and stainless steel stanchions
UMT ECO-800 crane with power luff & manual rotation

Forward Walk-Around:

Courtesy lights
50amp 125/240v SmartPlug shorepower inlet with ELCI
Foredeck settee with moulded seat cushions, and Taco hinge fold-down seatback
Sunbrella canvas seating cover
FRP bow pulpit with anchor guide, guide lines and rub strakes
Rocna 40 (88#) anchor
280 ft. of 3/8" high-test galvanized anchor chain
Chain locker, divided in half, with SS drain tubes
Stainless-steel windlass foot switch covers
Switched fresh & sea water wash-down with hose connector
Large diameter stainless steel sampson post

Interior:

Teak and holly flooring throughout
Teak paneling and cabinetry throughout with 7+ coats of poly urethane for a smooth finish

- Interior doors with louvered bottom
- Louvered doors on select cabinets - push buttons on all cabinet doors
- Cedar lining in all hanging lockers
- Routed cabinet tops, fiddles and other trim
- Bent lamination on select trim instead of miter joints
- Dovetailed drawers
- Chrome light fixtures, push buttons & cabinet pulls
- Window valences installed throughout boat
- Screens on all sliding windows
- Soft vinyl headliners - attached with Velcro
- Laminated safety glass on sliding windows
- Full extension slides - soft close in the galley - push button locks on all drawers
- Ultraleather fabric for interior cushions
- Window curtains throughout OR wood venetian blinds?

Salon & Dinette:

- LED lights plus accent rope lighting; salon downlights are dimmable
- A/C outlets with USB-C
- AC power outlet inside small cabinet: back wall, near the floor
- Reading lights
- CO Detector
- Ceiling handrail
- Teakwood stairs to pilothouse, with two under-tread storage drawers
- Teakwood stairs to lower companionway - with two under-tread storage drawers
- HDMI TV input jack - on outside wall opposite TV
- Double walls in salon/galley area with wall sconces (2)
- Engine room hatches (3) with hinged/gas strut support for primary entrance
- Small coffee cabinet in the middle of the starboard side for a lamp, book, drink etc. with room for chairs on each side?
- 48" HD LCD TV with under counter electric lift
- Drawers under settee seating

Galley:

- LED downlighting throughout
- Solid-surface countertop with raised edge along aft section & starboard section
- Ruvati RVH8310 galley sink - 30" single bowl with rack, cutting board top and accessories
- Nickel finish faucet with pullout spout
- 3M water filter inline to galley with cold water supply
- Stainless steel tile backsplash forward of cooktop, wrapping onto refrigerator side
- Convection microwave oven with outside vent
- Cabinets in galley - Magic corner cabinet next to sink (pull out cabinet hardware)
- Cabinet above galley countertop with wine glass holder and frosted back lit cabinet doors
- Black circulation fans - one in galley fwd port side, on ceiling - one aft stb side of salon, on ceiling
- Spice rack
- Summit stainless steel 14.6 cu.ft fridge/freezer
- Electric cooktop
- Oven below cooktop

Master Stateroom:

LED downlighting & rope lighting throughout
A/C outlets with USB (2)
Queen island bed with hydraulic lift to access storage area below
5" thick fabric covered foam mattress
Mirrored & vinyl headboard
Cabinets along both sides of the bed with backlit frosted glass doors
Teak slats along walls on port and starboard side
Large hanging lockers and other lockers
Drawers
TV wiring prep
CO detector
Opening, screened porthole window (4)
Opening, screened overhead hatch (1)
LED reading light (2)

Master Head:

LED downlighting & rope lighting throughout
A/C outlet (1)
Tecma toilet with fresh water flush
Mirror
Polished stainless steel ceiling
Ceramic sink undermount and chrome faucet
Shower stall - with exhaust fan
Tile mosaic accent wall
Shower control and nozzle
Opening frosted shower glass door with NP logo
Solid surface countertop
Opening, screened porthole window
Trident Premium sewage hose
Towel racks and other hardware
Teak finishing in head, fiberglass in the shower
Shower drains to automatic sump pump - Whale Gulper diaphragm pump 3201C

Guest Head:

LED downlighting & rope lighting throughout
A/C outlet (1)
Tecma toilet with fresh water flush
Mirror
Polished stainless steel ceiling
Ceramic undermount sink and chrome faucet
Shower stall - with exhaust fan
Shower control and nozzle
Tile mosaic accent wall
Opening frosted shower glass door with NP logo
Solid surface countertop
Opening, screened porthole window (2)
Trident Premium sewage hose

Towel racks and other hardware
Teak finishing in head, fiberglass in the shower
Shower drains to automatic sump pump - Whale Gulper diaphragm pump 320 IC

Guest Stateroom:

Two beds that slide together to make a queen, fold down desk, fold down bunk
Nightstand with drawer in center and starboard side
LED downlighting & rope lighting throughout
LED reading light (2)
A/C outlet with USB (1)
Opening, screened porthole window (2)
Hanging locker, cabinets and drawers (numbers depend on bed choice)
320 x 450mm access door on aft bulkhead to access under the galley counter corner. With shelf

Third Guest Stateroom OR Office layout

LED downlighting & rope lighting throughout
A/C outlet with USB (1)
Opening, screened porthole window (2)
Hanging locker, cabinets and drawers (numbers depend on bed choice)

Laundry/Storage Room:

A/C outlet
Center shelf with removable shelf above

Pilothouse:

LED downlighting & rope lighting throughout
A/C outlets with USB (2), DC outlet (1)
AC & DC electrical panels - Blue Sea
Helm compass
2 Llebroc Series II helm seat with 4" adjustable pedestal
Dash area covered with Ultraleather as well as area between windows and the small fwd ceiling above the helm
Cummins single lever ETS control
Thruster control
Windlass control with AA150 chain counter
Horn control
4" electric fuel and water gauges OR fuel & water level attached to Cerbo controller
Analog engine gauges & Garmin Gateway connection for engine information on NMEA network
Teak steering wheel
Hella defrost fan (2)
Intermittent windshield wipers (3) with EX210604 control
Windshield washer (3)
L shaped bench seat that converts into a bed
Folding table at bench seat with SS support
Teak handrail stbd of settee
Storage cabinets and drawers
Reading light above bench seat (2)
Aft window and aft side windows opening and screened

Garmin Package:

Pilothouse:

- (1) GPSMap 8612xsv multifunction display w/ fishfinder module
- (1) GPSMap 8412 multifunction display
- (1) GHC20 autopilot control
- (1) VHF 215 radio

Flybridge:

- (1) GPSMap 8612 multifunction display
- (1) GHC20 autopilot control
- (1) VHF 215 radio

Other Electronics:

- GMR24XHD – radar antenna
- GMS10 network expander
- Airmar B265LH fish finder transducer
- Reactor corepack with Smart Pump (autopilot)
- GC15 reverse image camera - mounted to hardtop looking aft
- (2) VHF antenna
- AM/FM stereo antenna
